

**Appendix 8I: Number of samples of each EUNIS code at each year within each depth range**

The tables present the number of samples collected on each year at each depth range, separated by EUNIS code of data described in Appendix 7a. Please note no data was available for sites within The Wash and North Norfolk Coast SAC within the 1995-2015 dataset for the years 2009, 2012, 2013, and 2014.
