

NOTICE TO MARINERS

Notice is Hereby Given that commencing mid-July 2021 and continuing for a period of approximately 3 weeks (weather dependant) survey operations will be undertaken off the coast of East Anglia.

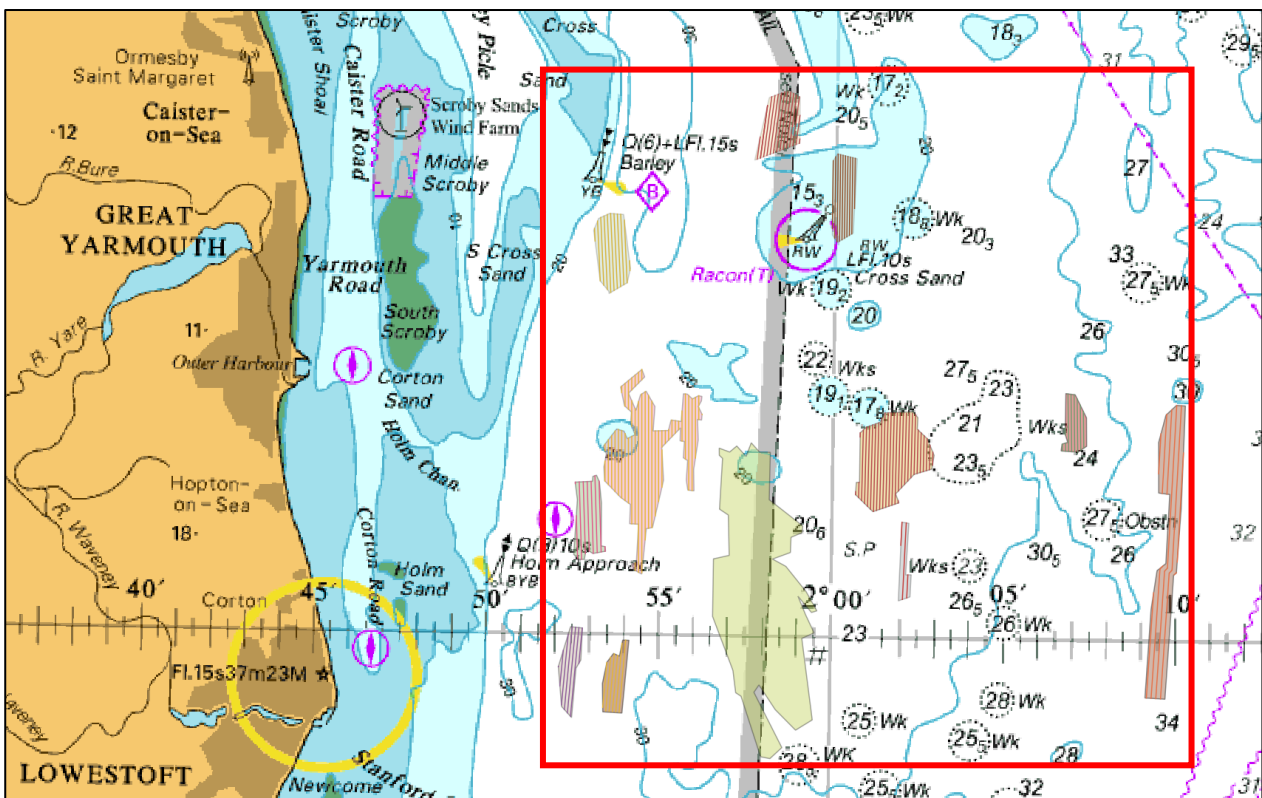

A-2-Sea Solutions Ltd will be operating the vessel ‘**Morven**’ on a 24-hr basis. The ‘Morven’ (20m LOA) will be underway throughout operations, sailing survey lines at 5-7 knots.

The vessel will not be towing any equipment and only a hull mounted multibeam echosounder will be used.

Morven will exhibit the lights and shapes prescribed by the International Regulations for Preventing Collisions at Sea and will maintain a listening watch on VHF Channels 11 (Channel Navigation Information Service), 16 and 12.

Survey Areas

The survey areas are confined within the boundary displayed within the figure and table below.

Latitude	Longitude
52°40.195' N	001°51.312' E
52°27.439' N	001°51.520' E
52°40.180' N	002°10.746' E
52°27.352' N	002°11.459' E

Date & Duration

The survey will commence on mid-July 2021 for a duration of approximately 3 weeks (weather dependent).
