3 Proposed activities

3.1 Proposed survey activity

- 3. Please be advised that the operations are anticipated to mobilise from August 1st with investigations targeting the site. The works will last for approximately 5 days. The exact survey dates are dependent on mobilisation time, weather and work progress.
- 4. Note that the vessels will have limited manoeuvrability and it is requested that all vessels operating near the survey vessels maintain a safe distance (at least 500m) and pass at minimum speed.

3.2 Safety

- 5. It is requested that anybody having knowledge of any potential objects submerged or moored on the seabed within the survey area that could be damaged or form a hazard to the survey vessel and its equipment advises Hornsea Three’s Onshore Fisheries Liaison of their position and nature.
