

## KING'S LYNN CONSERVANCY BOARD.

Notice to Mariners No. 18/2021.

East Coast of England - The Wash, King's Lynn Harbour

River Great Ouse – A47 Bridge Inspections & Cleaning

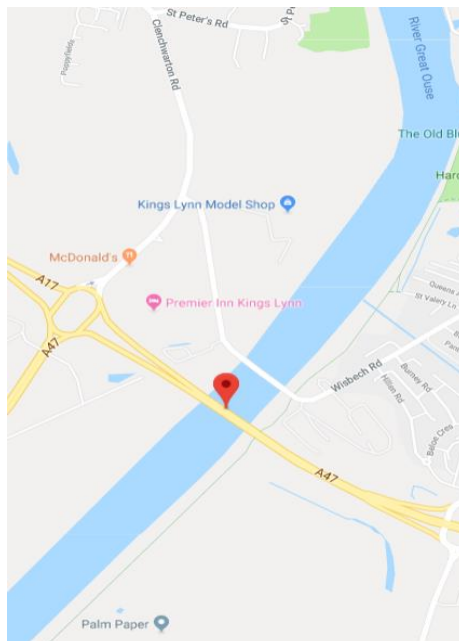

Mariners are advised that inspections and cleaning operations are to be carried out on the A47 Bridge that crosses the River Great Ouse at King's Lynn on the following dates and times.

- W/C 19-07-21 at 2000hrs until 26-07-21 at 0500hrs.
- Works to be carried out daily between 2000hrs & 0600hrs.

An under bridge work platform will be deployed for these operations which will be fully illuminated and can be manoeuvred to allow emergency river passage if required.

A dedicated safety vessel "SBS Surveyor" will be on the river at all times to maintain a safe watch for any marine traffic. SBS Surveyor can be contacted on VHF CH 14 & 16.

Mariners are requested to navigate with caution in the vicinity when these operations are underway.

18th June 2021.
