

KING'S LYNN CONSERVANCY BOARD.

Notice to Mariners No. 19/2021

East Coast of England - The Wash

Approaches to King's Lynn

Bathymetric Surveys, Race Bank Offshore Windfarm Export Cables .

Mariners are advised that survey vessel "Morven" will perform marine survey operations between Lat 52° 48.595'N Long 000° 13.471'E & Lat 53° 01.851 N ' Long 000° 26.347' E along the existing Race Bank Export Cable routes.

The corridor width for the cable survey will nominally be 250m. The survey vessel may be found running both along the cable route and in the general vicinity of the survey corridor.

Survey operations are expected to commence on 5th July 2021 with scheduled completion by 17th July 2020, depending on weather conditions. Dates may be subject to change.

The vessel will operate on a 24hr basis and will display appropriate day shapes & lights during survey operations and will actively transmit an AIS signal.

Survey operations will involve the use of hull mounted and equipment towed below the water surface, up to 100m behind the vessel.

A wide berth is requested at all times as the vessel will be restricted in her ability to manoeuvre.

Contact details for the vessel are as below:-

MV MORVEN Call Sign: T150165

The vessel will maintain a listening watch on VHF16 and VHF 14 whilst in our area of jurisdiction.

5th July 2021.
