

Scylla Subsea Cable Project

Cable Lay at Gassco Crossings

Notice to Mariners

Date Issued: 6 August 2021

Revision	Issue Date	Comments	Reviewer	Pages
0	6 August 2021		ETM	5

Please be advised that cable lay works have been completed at the Gassco subsea pipeline asset crossings (coordinates below). Please be aware that the Scylla cable has been surface laid and approximately 130m of fibre optic cable will remain exposed over these crossing until the rock placement campaign is completed in late August. An update will be issued once the rock placement works have been completed.
