

Shrimp Return Forms: How to complete a form when you have been fishing

Each fishing trip requires its own form. **Trip information** should be written in **sections 1 and 2**.

The information for each tow during the trip is also required. **Tow information** should be written in **section 3**.

Eastern IFCA – Shrimp Landings & Trip returns form
Please complete one form per shrimp fishing trip (Sections 1 & 2), and one line per tow (Section 3), and sign the Declaration. Thank you

Section 1 - Information on Trip

Landed weight (kg)	1032	
SKIPPER DECLARATION —I declare that this is a full and accurate record of fishing activity within the period		
Name	John Smith	
Signed	J. J. Smith	
EIFCA Office use only - Data entry complete?		
Book Number		Page number

Section 3 - Information on Individual Tows		
Areas on chart	Length of Tow Hrs : Min	Average speed over the ground, knots
11, 15 & 24	1hr 30 min	2.5
30, 91, outside	2 hr	2.5
Outside	1hr 30 min	2.5
20, 16, 24	2 hr	2
24, 17, 11	2 hr	2
	Hrs : Min	

Enter the date & time you **left port, returned to port, and landed** the catch.

Write the name of the port landed and the weight (in kg) **landed from that trip**

Print name and sign to endorse the declaration above

These will be pre-entered. **Note** – the book number relates to your vessel. **Books cannot be switched between vessels**

Enter the areas fished in **each tow**. Use the charts provided to find the correct area numbers.
If a tow includes fishing **outside** of the district, please include **'outside'** in the areas column.
You do not need to include tows which are only outside of the district.

Enter an estimated **length of tow** (hours and minutes) and **average speed** of the tow (in knots).
