NOTICE TO MARINERS 010/2022

Dredging Trial

Mariners are advised that a small scale dredging trial will continue in the swinging basin area of the river – adjacent to the port from 1100 on 07/02/2022 until Wednesday 09/02/2022. Dredging will be conducted by water injection using the *CMS Innovation*, and then followed by ploughing operations by the *Fenlander*.

The survey vessel the ‘Sir William’ will also be conducting surveying operations on a daily basis during the trial as detailed in LNTM 009/2022

All vessels will be monitoring VHF Channel 12

Mariners are requested to navigate with caution and pass at slow speed.

This notice will self- cancel on completion of the dredging trials
