Wash Fishery Order Licence Fee structure

Implementing a new licence fee structure from 1 April 2020

Eastern IFCA will operate a new licence fee structure in order to increase fees towards 50% cost recovery. This will come into effect on 1 April 2022. In order to fish within the Wash Fishery Order (WFO) 1992 fisheries, there will be a requirement to obtain both a **licence and an endorsement for individual fisheries**. Separate fees apply for a licence and for an endorsement.

N.B. A WFO Licence can only be obtained in accordance with the WFO interim policies¹, completion of an application form and after having paid the associated fee.

WFO licences are valid for a period of 12 months after the date of issue. Endorsements are valid for a period of 12 months after the date of issue but must be associated with a valid licence.

If a WFO Licence expires before an endorsement expires, the Licence fee must be paid again to continue to use the endorsement until the end of the 12-month period that the particular endorsement is valid for.

For licences and endorsement issued between 1st April 2022 and 31st March 2023, the WFO Licence fee is **£757.75**.

Endorsement fees are as follows:

Fishery	<i>Hand-work cockle fishery</i>	<i>Hand-work mussel fishery</i>	<i>Dredge mussel fishery</i>
Endorsement fee	£339.57	£101.39	£162.48
