3 Proposed activities

3.1 Proposed survey activity

3. Please be advised that the operations will commence mid-April and last for approximately two weeks. The exact survey dates are dependent on weather and work progress.

4. Note that the vessels will have limited manoeuvrability and it is requested that all vessels operating near the vessels maintain a safe distance (at least 500m) and pass all vessels at minimum speed.

3.2 Safety

5. It is requested that anybody having knowledge of any potential objects submerged or moored on the seabed within the survey area that could be damaged or form a hazard to the survey vessel and its equipment advises Hornsea Three's Onshore Fisheries Liaison of their position and nature.
