

Notice to Mariners No 5 / 2022
20th of June 2022

Saltfleet to Gibraltar Point Beach Management Works

Installation of sinkerline at Boygrift.

Van Oord and the Environment Agency would like to inform mariners that the Saltfleet to Gibraltar Point Beach Management Works are due to commence on the 2nd of June 2022 along the North East Lincolnshire Coastline. These works involve the dredging of sand from licenced dredging areas and pumping the sand via a sinkerline onto various beach locations at high tide intervals. The format of works is the same as in previous years.

On the 21st of June 2022 a sinker pipeline will be positioned on below mentioned location. Please see area 3 chart below. 2 Cardinal marker buoys will be positioned to indicate the working area at Boygrift.

The schedule of works will be confirmed with further Notices to Mariners (NTM's) in due course.

As a result of Covid-19 restrictions the Fisheries Liaison Officer Dave Hardstaff will work from shore and be the main point of contact.
