

Notice to Mariners No6 / 2022 22th of June 2022

Saltfleet to Gibraltar Point Beach Management Works

Shifting sinkerline from Trunchlane to Ingoldmells North

Van Oord and the Environment Agency would like to inform mariners that the Saltfleet to Gibraltar Point Beach Management Works are due to commence on the 2nd of June 2022 along the North East Lincolnshire Coastline. These works involve the dredging of sand from licenced dredging areas and pumping the sand via a sinkerline onto various beach locations at high tide intervals. The format of works is the same as in previous years.

On the 23rd of June 2022 a sinker pipeline will be relocated from Trunchlane (NTM No 4-2022) to Ingoldmells. To the below mentioned location. Please see area 6 & 7 chart below. 2 Cardinal marker buoys are positioned to indicate the working area at Trunchlane & Ingoldmells.

The schedule of works will be confirmed with further Notices to Mariners (NTM's) in due course.

As a result of Covid-19 restrictions the Fisheries Liaison Officer Dave Hardstaff will work from shore and be the main point of contact.
