

# OUTER DOWSING OFFSHORE WIND CONSULTATION EVENTS

Outer Dowsing Offshore Wind is a proposed offshore windfarm located approximately 54 kilometres off the coast of Lincolnshire together with associated offshore and onshore transmission infrastructure. The offshore export cables from the offshore wind turbines are proposed to make landfall south of Anderby Creek. From the landfall, the cables would continue underground to one of two different connection points still under consideration by National Grid – a connection to the existing overhead line circuits at Weston Marsh (north of Spalding) or to a proposed new National Grid substation (east of Alford).

Early engagement with local communities is very important to us and we are hosting a number of in person and online events to introduce the scheme in more detail and gain feedback from all stakeholders.

**We will also be holding a virtual exhibition on our website – [www.outerdowsing.com](http://www.outerdowsing.com) from 1 November – 29 November where you can view the information from the consultation events and find out more about our proposals.**

**The deadline for commenting on our proposals is [29 November 2022](#).**

Venue	Date & Time
<b>Anderby Village Hall</b> Sea Road, Anderby PE24 5YD	Tuesday 1 November 2pm-8pm
Online webinar and Q&A – <a href="http://www.outerdowsing.com">www.outerdowsing.com</a>	Wednesday 2 November 2pm-3pm
Online webinar and Q&A – <a href="http://www.outerdowsing.com">www.outerdowsing.com</a>	Thursday 3 November 6pm-7pm
<b>Wainfleet All Saints Coronation Hall</b> High Street, Wainfleet PE24 4BS	Friday 4 November 2pm-8pm
<b>Fosdyke Village Hall</b> Old Main Road, Fosdyke PE20 2BU	Saturday 5 November 2pm-8pm
