### Description of Hazard/Operation

UXO Inspection Operations within Dogger Bank A and Dogger Bank B array construction areas have identified the presence of several confirmed UXO items.

The items identified in the Dogger Bank B array construction array have now been removed during a recent clearance campaign. The items identified in the Dogger Bank A array construction area will be addressed during a separate UXO Clearance phase of work. Until this subsequent campaign is performed it is requested that any vessel activities involving interaction with the seabed are kept to a minimum distance of 500m from the UXO items listed herein.
