

NOTICE TO MARINERS

DOGGER BANK OFFSHORE WIND FARM

DATE OF ISSUE:	04/03/2024
NOTICE TO MARINER NUMBER	LF500013-IAC-DOG-NOT-0007 Rev 003

Dogger Bank A IAC Cable Installation

LOCATION DESCRIPTION		Dogger Bank A Offshore Windfarm
COORDINATES WGS 84	DBA OWF	See Table 1 below
START DATE/TIME		15/03/2024
END DATE/TIME		30/06/2024

Description of Hazard/Operation

The Cable Lay Vessel (CLV) **VIKING NEPTUN** will continue with inter array cable installation works with the commencement around 15th of March 2024. The works will continue over different campaigns until 30th of June 2024. The works will be continuous, 24 hours a day. Charts of the DBA array area are provided below.

The cable lay vessel will deploy the inter array cable onto the seabed through her dedicated deck spread. The cable will remain exposed on the seabed till trenching works by separate spread are performed.

During operations, the **VIKING NEPTUN** will be restricted in their ability to manoeuvre as defined under COLREGs (International Regulations for Preventing Collisions at Sea 1972) and will display the appropriate day shapes and lights. The vessel will also transmit an Automatic Identification System (AIS) message.

It is requested that all vessels maintain a minimum of 1.5Nm separation distance from the vessels and pass at reduced speed. Fishing gear or other equipment with seabed intervention should not be deployed when approaching the working corridor.
