1. MARINE ACTIVITIES

1.1. Summary:

Mariners are advised that circa the 14/11/2025, Mattress Installation vessel 'Olympic Taurus' will transit to and commence Post-Lay Mattress Installation within the East Anglia THREE Export Cable Corridor as detailed in section [2.1](#) of this document.

1.2. Activity Description:

NKT will conduct Post-Lay Mattress Installation along the East Anglia THREE export cable corridor in the North Sea using the vessel Olympic Taurus. The work will be performed in a single campaign with up to 3 planned loads. Post-lay protection, consisting of concrete mattresses and rock filter units, will be placed on the export cable at third party asset crossings and remedial locations. In/out surveys will be performed prior to and following placement.

It is requested that all vessels maintain a minimum of 1.5Nm separation distance from Olympic Taurus and pass at reduced speed.

Fishing gear or other equipment with seabed intervention should not be deployed when approaching the working corridor.

1.3. Program Schedule:

Vessel will mobilise Circa 14 November 2025. Operations will be conducted continuously, 24 hours a day.

During operations, the Olympic Taurus will have restricted manoeuvrability as defined under COLREGs (International Regulations for Preventing Collisions at Sea, 1972). They will display the appropriate day shapes and lights and will transmit an Automatic Identification System (AIS) message.

All vessels are required to monitor VHF Channel 16 and VHF DSC Channel 70 continuously throughout the operation.

To protect the cable in the working corridor, guard vessels will be deployed along the route (described in *EA3 NTM 065 -2025- Export Cable Corridor Guard Vessel Deployment.*) The guard vessels will contact vessels approaching within 1.5Nm

Olympic Taurus will monitor VHF Channel 16 and VHF DSC Channel 70 continuously throughout the operation. Progress and completion of installation works will be communicated via East Anglia THREE Weekly Notice of Operations and future Notice to Mariners
