

Sizewell C Notice to Mariners No 12 of 2026

Temporary Lighting of Marine Works – Marine Bulk Import Facility

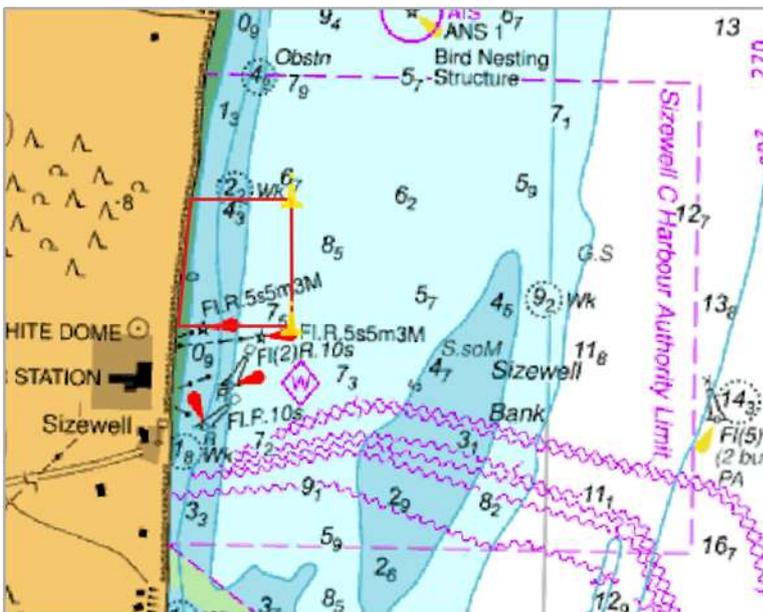

Mariners are advised that the western extremity of the marine piling works of the Marine Bulk Import Facility (MBIF) detailed in Sizewell C Harbour Notice to Mariners No8 of 2026 have been temporarily marked by a QFI Y light atop the pile in position

52°13'15"N 001° 37' 49"E

The jack up barge Excalibur will continue piling works eastward until the jetty head installation is completed, upon which permanent navigational marking of the jetty head will be established.

Subsequently the Excalibur will resume piling works on the western section of the works between the jetty head piling and the associated terrestrial piling.

All of these works will be contained within the Marine Construction Zone (MCZ) as per the chart below.

SZC Harbour Master

Date: 24/2/2026
