

# Sizewell C Notice to Mariners No 7 of 2026

## Marine Construction Zone

NOTICE IS HEREBY GIVEN: that a Marine Construction Zone will be established within Sizewell C Harbour with effect from 1<sup>st</sup> February 2026.

### Marine Construction Zone

A Marine Construction Zone (MCZ) is being established to accommodate a number of marine construction and associated service vessels for the duration of a period of increased construction activities to ensure the safety of mariners during this period. **All vessels other than those engaged in the construction works are excluded from this area until the MCZ is removed.**

The MCZ will be implemented for an initial 12-month period from the date of this notice, which may be extended at the discretion of the Harbour Master, subject to an ongoing review of Sizewell C construction programme. The MCZ will be defined by an area contained within the coordinates below;

Latitude	Longitude
52° 12.9171' N	001° 37.4473' E
52° 13.4574' N	001° 37.5149' E
52° 13.4655' N	001° 38.2073' E
52° 12.9263' N	001° 38.2270' E

The seaward extents of the MCZ are marked by two yellow special mark buoys, light characteristics FI Y 5s which are positioned at the following coordinates.

Latitude	Longitude
52° 13.4655' N	001° 38.2073' E
52° 12.9263' N	001° 38.2270' E

The MCZ is contained within three lines (shown in red on the above Chartlet); The eastern edge of the area is delineated by a north/south line joining the two east west lines.

SZC Harbour Master

Date: 30/01/2026
